SkillBridgeLK Privacy Policy

Effective Date: [Insert Date]

1. Information We Collect

- Account information such as name, email address, profile image, login details, and account type.
- Freelancer profile information such as skills, experience, portfolio, service listings, ratings, and reviews.
- Order information such as project descriptions, requirements, deadlines, files, delivery information, and transaction history.
- Payment-related information such as payment references, uploaded payment slips, withdrawal information, and limited bank-account information where required.
- Messages, files, and other content shared through the platform's internal communication system.
- Technical information such as IP address, browser type, device information, login activity, and security logs.
- Information received through supported authentication services such as Google OAuth.

2. How We Use Information

- To create and manage user accounts.
- To connect clients with freelancers and enable service bookings.
- To process, verify, hold, release, refund, and record payments.
- To operate internal messaging and file-sharing features.
- To provide notifications, customer support, dispute resolution, ratings, and reviews.
- To detect fraud, abuse, suspicious activity, and attempts to bypass platform communication rules.
- To improve platform security, reliability, search results, and service recommendations.
- To meet legal, regulatory, accounting, and security obligations.

3. Internal Communication Monitoring

- Platform conversations may be automatically analyzed for security, fraud prevention, abuse prevention, and attempts to move transactions outside the platform.
- The system may detect phone numbers, email addresses, external links, social-media usernames, and similar contact information.
- Automated tools, including AI-assisted systems, may flag or restrict suspicious messages.
- Flagged content may be reviewed by authorized administrators.
- Automated detection may not always be accurate, and appropriate administrative review may be used where necessary.

4. Personal Information Visibility

- Private contact details are not intended to be publicly displayed to other marketplace users.
- Users should not receive another user's private email address, telephone number, bank information, authentication credentials, or other restricted personal information through public profiles.
- Public profiles may display information such as display name, profile image, skills, portfolio, services, ratings, reviews, and completed-work statistics.

5. How We Share Information

- We do not sell users' personal information.
- Information may be shared with trusted service providers necessary to operate the platform, such as hosting, cloud storage, authentication, security, and notification providers.
- Information may be disclosed where required by law, court order, regulatory request, fraud investigation, or protection of platform users.
- Relevant information may be reviewed by authorized administrators when handling disputes, payment verification, safety incidents, or policy violations.

6. Payments and Financial Information

- Payment and withdrawal records may be retained for accounting, fraud prevention, dispute handling, and legal requirements.
- Bank information provided by freelancers is restricted to authorized platform functions and personnel.
- Uploaded payment slips and transaction evidence will not be publicly available.

7. Data Security

- We use reasonable technical and organizational safeguards, including encrypted connections, access controls, secure authentication, restricted file access, logging, and monitoring.
- No online system can guarantee absolute security.
- Users are responsible for protecting their passwords and account access.

8. Data Retention

- Personal data is retained only for as long as reasonably necessary for platform operation, security, dispute handling, financial records, or legal obligations.
- Certain financial, moderation, audit, and transaction records may be retained after account closure where required.

9. User Rights

- Users may request access to or correction of their personal information.
- Users may request account deactivation or deletion subject to legal, financial, security, and transaction-retention requirements.
- Users may contact the platform regarding privacy-related concerns.

10. Cookies and Similar Technologies

- The platform may use cookies or similar technologies for authentication, security, preferences, analytics, and essential platform functionality.
- Non-essential tracking technologies should be used in accordance with applicable consent requirements.

11. Third-Party Services

- The platform may use third-party infrastructure or authentication providers.
- Their processing of information may also be governed by their own privacy policies.

12. Changes to This Policy

- We may update this Privacy Policy from time to time.
- Significant changes may be communicated through the platform or other appropriate methods.
- Continued use of the platform after an updated policy becomes effective constitutes acceptance where permitted by law.

13. Contact

- Privacy questions or requests may be submitted through:
    - **Email:** [Insert Official Email]
    - **Address:** [Insert Business Address]
    - **Support:** [Insert Support Page]
